An Enhanced Level Of Comfort Before And After Your Purchase

When it's time for a new indoor comfort system, you shouldn't have to sweat the decision of which manufacturer to choose. The legendary Nexgen brand, trusted by generations for its performance and reliability, gives you one less thing to worry about. Choose an Nexgen brand APH16H or APH16M Packaged Heat Pump with confidence, knowing you're getting world-class engineering, good ol' American craftsmanship and the finest materials from around the world.

Efficiency And Longevity Make This The Total Package

When you choose the energy-efficient Nexgen brand APH16H or APH16M Packaged Heat Pump, you'll enjoy years of cost-effective, worry-free indoor comfort from a single, self-contained unit. Featuring quick and easy installation, as well as the protection of two lifetime warranties*, it can deliver heating and cooling capacity from two to four tons, a Seasonal Energy Efficiency Ratio (SEER) of up to 16 and a Heating Seasonal Performance Factor (HSPF) of up to 8.2.

You'd Be Hard Pressed To Find A Better Compressor

This packaged heat pump's most important component in terms of cooling efficiency and performance, is its compressor—the heart of the system's operation during summer months. These Nexgen brand Packaged Heat Pumps features an energy-efficient scroll compressor, which is designed with fewer moving parts that result in lower energy use compared to units with reciprocating compressors.

The Security Of The Nexgen Brand's Amazing Lifetime Warranties*

To truly seal the deal, the Nexgen brand APH16H and APH16M Packaged Heat Pumps are backed by one of the best warranties* in the industry. This unit features a Lifetime Compressor Warranty* and a 10-Year Parts Lifetime Warranty*. The longevity of premium Nexgen brand products combined with this excellent warranty* coverage offer you a level of purchase protection that's the stuff of legend.

* Complete warranty details available on www.nexgenairandheat.com. To receive the Lifetime Unit Replacement Warranty (good for as long as you own your home) and 10-Year Parts Lifetime Warranty, in order to qualify for lifetime replacement warranty you need to be part of the X Protection Family. Membership must be current and up-to-date.

Energy Efficiency

SEER or Seasonal Energy Efficiency Rating is a measure designated by the U.S. Department of Energy and gives you a good idea of the performance you can expect from air conditioners and heat pumps. At an up to 16-SEER cooling rating, the Nexgen brand APH16M Packaged Heat Pump can deliver up to 8.2 HSPF (Heating Seasonal Performance Factor). When you choose an energy efficient Nexgen brand heat pump, year-round indoor comfort is combined with year-round savings.

Quiet Comfort

You can be assured that your Nexgen brand packaged heat pump will provide you with quiet operation. To minimize operating sounds, we've combined quiet scroll compressor technology with a high-density foam cover plus a fully-insulated blower compartment to provide unobtrusive performance.

The Next Generation in Home Comfort

THE IMPECCABLE REPUTATION OF THE
